

# GROW THE GROUP GALA EVENT

Come visit a local business networking group where members support each other and their community. Our "Grow the Group Events" provide opportunities for other local business owners, by invitation, to meet our members in a relaxed social environment. BMBF was started in 2011 and is currently 29 members strong and is seeking to continue to grow. We meet weekly for a great lunch, in a relaxed no-pressure meeting and without the typical rules, cost or interference of the national networking groups. Visit our website to check out our current members"
